

REZA RH 200

Description

Powerful, heavy duty detergent for use with all types of high-pressure powerwash machines. Removes road film & general soiling from the bodywork & chassis of heavy goods vehicles, coaches, buses & tractors.

Features & Benefits

- Quick, effective cleaning action.
- For use on all types of heavy goods vehicles.
- Suitable for use on curtain sided vehicles.
- Ideal for removing heavy soiling from plant machinery & equipment
- Highly recommended for powerwashing floors & walls.
- Cleans chassis prior to M.O.T. Inspections.

How to Use

Dilute 2-3:100 parts cold water.

Spray surface, ensuring all areas are covered with the solution. Leave for 10 minute & rinse thoroughly with clean water.

Composition

Contains a blend of nonionic surfactant, amphoteric surfactant, sequestering agent, sodium hydroxide & dye.

Typical Product Data

Appearance:	Clear Liquid
Odour:	Unperfumed
Specific Gravity (20°C):	1.06
Colour:	Yellow
pH – undiluted:	13.0
pH – diluted:	10.8
Shelf Life Unopened:	Not less than 3 years

Packaging

Pack:	Pallet Size
25lt	24x25lt

Storage:

Store in original sealed container and protect from extremes of temperature.

Biodegradability:

All surfactants used in Reza products comply with the current European Regulations concerning Biodegradability and protection of the environment.

Quality Assurance

This product is manufactured in Saudi Arabia by Reza Chemical Industries whose Quality System is registered by ISO 9001-2000 by Cert. # CH03/0861 from SGS of Switzerland.
